37. To see if the Town will vote to instruct the Selectmen to borrow money in anticipation of the 1958 Tax Levy.

38. To see if the Town will vote to adopt the following Proposed Zoning Ordinance for the Town of Hopkinton, New Hampshire:

ARTICLE I

Preamble

Pursuant to authority conferred by Chapter 31, Sections 60-89, New Hampshire Revised Statutes Annotated, 1955, and for the purpose of

promoting the health, safety and welfare of the inhabitants, and preserving the values and charm now attached to both the rural and village parts of the Town, the following ordinance is hereby adopted by the Town of Hopkinton, New Hampshire in Town Meeting convened.

ARTICLE II

Districts

For the purpose of this Ordinance, the Town of Hopkinton is divided into three districts as shown on the zoning map filed with the Town Clerk and dated February 24, 1958, namely District A, District B, and District C.

ARTICLE III

District A

The following provisions shall apply to District A:

- A. Each principal building shall be on a lot of at least 15,000 square feet in area with a frontage on a public right of way of at least 100 feet, except that individual lots of record held in single ownership at the time of passage of this Ordinance shall be exempt from this provision. Vacant lots in the same ownership having in the aggregate a continuous frontage of 100 feet or more, and an area of 15,000 square feet or more, shall not be subject to this exemption.
- B. No trailer or mobilehome shall be maintained for living purposes in this District and no mobilehome or trailer park shall be permitted, except that a trailer or mobilehome may be parked and used for not more than 30 days in any calendar year and no permit shall be required for such use.
- C. No gravel pit, sand pit, or quarry shall be permitted in this District except as herein provided.
 1. The Board of Adjustment shall approve the temporary operation of a pit or quarry which is incidental to the improvement of the land provided that such operation will not create a traffic condition detrimental to the neighborhood or hazardous to the use of the highway, and provided that such operation will not create noise or dust to the extent that it will be detrimental to the health or comfort of nearby residents. The Board of Adjustment shall determine the effective duration for which such a permit may be issued and upon application may approve renewal of such permit upon re-determination of the conditions under which such permit may be allowed.
 2. No processing of sand, gravel, or stone shall be permitted in this District.

ARTICLE IV

District B

The following provisions shall apply to District B:

- A. Each principal building shall be on a lot of at least one acre in area with a frontage on a public right of way of at least 200 feet, except that individual lots of record held in single ownership at the time of passage of this Ordinance shall be exempt from this provision. Vacant lots in the same ownership having in the aggregate a continuous frontage of 200 feet or more and an area of one acre or more, shall not be subject to this exception.

- B. No trailer or mobilehome shall be maintained for living purposes unless installed as a principal building subject to Article IV Section A, or unless located in a mobilehome or trailer park or as otherwise herein provided, except that a trailer or mobilehome may be parked and used for not more than 30 days in any one calendar year and no permit shall be required for such use.
1. The Board of Adjustment shall approve the temporary use, for a period not to exceed six months, of a trailer or mobilehome to be maintained as living quarters by the owner of the lot on which it is parked, or by a person employed on the premises, or by a person visiting the owner of the lot, provided that no remuneration is made to said owner or his agents, and further provided that such use is shown to be a temporary expedient. The Board of Adjustment may attach such conditions to a permit as it deems necessary to preserve the spirit and intent of this Ordinance. The Board of Adjustment may approve renewal of such permit upon re-determination of the conditions under which such a permit may be allowed.
 2. The Board of Adjustment shall approve a temporary permit for a trailer or mobilehome or group of trailers or mobilehomes to be parked outside a mobilehome or trailer park when such trailers or mobilehomes or a group of trailers or mobilehomes has its principal use as a field office or headquarters for a project which is being carried on in the Town. Such trailers or mobilehomes may contain living quarters which may be utilized by officials or employees of the company or agency engaged in the project, but which shall not be utilized by the families of such persons. A permit shall be issued only upon determination by the Board of Adjustment that a health or safety hazard to the neighborhood will not be created. The Board of Adjustment shall determine the effective duration for which such a permit may be allowed. The Board of Adjustment may attach such conditions to the permit as it deems necessary to preserve the spirit and intent of this Ordinance.
- C. Mobilehome or trailer parks shall be prohibited except as herein provided and shall be subject to the following regulations:
1. The Board of Adjustment shall approve a permit for a proposed mobilehome or trailer park if said park is to be so located as to be screened from view from abutting properties and the public right of way, and will not put an undue traffic burden on the public road to which it abuts. Such a permit as may be approved by the Board of Adjustment shall be issued by the Zoning Inspector upon determination by said Inspector that the following provisions will be complied with.
 2. No permit shall be issued unless the Town Health Officer shall certify that, upon his determination, the plans and specifications are in accordance with State laws and regulations, regulations of the New Hampshire State Department of Health, and Town Ordinances and Regulations pertaining to sanitary arrangements.
 3. All roadways shall be paved, and at least one paved parking space shall be provided for each trailer or mobilehome. All roadways shall be lighted at night. No parking shall be allowed on roadways. If service roads to the rear of the trailers are

- provided, they need not be paved but must be graveled sufficiently for all-weather use. Such service roads need not be illuminated.
4. Three thousand (3,000) square feet shall be provided for each unit and shall be plainly marked with permanent markers at each corner.
 5. No sheds, lean-tos or other structures may be built onto any trailer or mobilehome other than an awning, or an entry-way.
- D. No gravel pit, sand pit, or quarry shall be permitted in this District except as herein provided.
1. The Board of Adjustment shall approve a permit for a gravel pit, sand pit, or quarry provided that such operation will not create a traffic condition detrimental to the neighborhood or hazardous to the use of the highway, and provided that such operation will not place an undue burden on the load-bearing capacity of such public roads as will be utilized by the operation, and further provided that such operation will not create noise or dust to the extent that it will be detrimental to the health or comfort of nearby residents. Upon abandonment of the operation of such pit or quarry, the owner shall grade all banks to a stabilized slope and fill in, or provide drainage for, any pit below the average water table or pit where surface water will collect and remain during normal climatic conditions. The Board of Adjustment may attach such conditions to a permit as it deems necessary to preserve the spirit and intent of this Ordinance.

ARTICLE V

District C

The following provisions shall apply to District C. This District shall extend 300 feet from the margins of Clement Pond, Grassy Pond, Rolfe Pond, and Drew Lake, and as otherwise indicated on the Zoning Map.

- A. Regulations which apply to District B shall apply to District C except as herein provided.
1. Residences used, and intended for use, as seasonal homes may be built on lots having a width of not less than 75 feet and an area of not less than 10,000 square feet, except that individual lots of record held in single ownership at the time of passage of this Ordinance shall be exempt from this provision. Vacant lots in the same ownership having in the aggregate a continuous width of 75 feet or more and an area of 10,000 square feet or more, shall not be subject to this exception.

ARTICLE VI

Signs

The following provisions shall apply to all Districts:

- A. No sign shall be erected or extended except as herein provided and no sign shall be erected without a permit from the Zoning Inspector except as specifically permitted herein.

1. Two signs, each not exceeding 20 square feet, shall be permitted on the premises of the advertiser.
2. Each business establishment or person engaged in a separated business may erect four signs off the premises advertising said business. Each sign may not exceed 20 square feet and shall be located within 2,500 feet of the place of said business, except if said business is on a Town road, such signs may be located within 2,500 feet of the junction of the Town road and the nearest State road.
3. No sign shall be erected having flashing, bright, or dazzling lights, neon tubing, or moving parts, and no sign shall be illuminated with naked or unshielded lights.
4. Restrictions on size and number of signs shall not apply to signs on the building of the advertiser calling attention to products or services offered on the premises, or signs on the premises of the advertiser which are designed to command the attention of persons on the premises rather than persons on the highway. A permit shall not be required for the erection of such signs.
5. A permit shall not be required for a sign or signs announcing the name of a residence or farm, or the name or profession of the occupant thereof. Such signs need not be restricted to the property of the owners of such signs.
6. A permit shall not be required for temporary signs advertising farm products sold at a seasonal roadside stand or for posters advertising community, church, or club affairs, or for posters used in connection with campaigns for public office.
7. A permit shall not be required for a sign, not to exceed 20 square feet in area, advertising the sale or lease of a building or lot and located on said lot or lot on which said building is located.
8. None of these provisions shall be construed to limit or restrict in any way signs erected by the Town of Hopkinton, The State of New Hampshire or its agencies or the Federal Government or its agencies.

ARTICLE VII

Nonconforming Uses and Buildings

Any nonconforming use may continue in its present state except that any nonconforming use may not be:

1. Changed to another nonconforming use;
2. Re-established after abandonment for one year;
3. Extended or enlarged.

ARTICLE VIII

Enforcement

- A. No principal building as herein defined nor structure which is herein regulated shall be constructed or relocated without a permit. Upon application to the Zoning Inspector a permit shall be issued except as herein prohibited, and subject to the regulations contained in this Ordinance.
- B. There shall be a Zoning Inspector who shall administer the provisions of this Ordinance. Said inspector shall be appointed by

the Board of Selectmen from among its members or from among the residents of the Town.

- C. It shall be the duty of the Board of Selectmen, and the Board is hereby given authority, to enforce the provisions of this Ordinance.

ARTICLE IX

Board of Adjustment

Within thirty (30) days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment conforming in duties and membership to the provisions of Chapter 31, New Hampshire Revised Statutes Annotated, 1955.

ARTICLE X

Amendments

This Ordinance may be amended as provided by Chapter 31, Sections 63 and 64, New Hampshire Revised Statutes Annotated, 1955.

ARTICLE XI

Penalty

Every person, persons, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist.

ARTICLE XII

Saving Clause

The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

ARTICLE XIII

When Effective

This Ordinance shall take effect upon its passage.

ARTICLE XIV

Definitions

Terms used in this Ordinance shall be interpreted according to the following definitions:

- A. *Principal Building.* A structure to be used for habitation, or commercial, industrial, agricultural or social uses, which is not accessory or incidental to an existing building or group of buildings.
- B. *Right of Way.* All town, state, and federal highways and the land on either side of same as covered by statute or legally accepted common usage.

REPORT OF CEMETERY TRUSTEES

December 31, 1957

Work has continued on the general upkeep of Hopkinton cemeteries during 1957. The Contoocook Cemetery Association continues to do an outstanding job in caring for that cemetery.

During the year, the Old Hopkinton cemetery was fertilized, reseeded and the grading and loaming completed. Several stones were repaired and reset, most of which were paid for by the accumulated income in Trust Funds.

A map of the old and new sections has been drawn, lots numbered and some work has been done on coordinating owners' names with the lot numbers. During 1958 this work should be continued and a similar map should be completed for the New Hopkinton cemetery.

The major problem in 1958 will be the relocation of the Stumpfield cemetery which, because of the West Hopkinton Dam, must be moved. If additional land can be acquired adjacent to the Contoocook cemetery, as Trustees, we suggest that a part be designated as the Stumpfield Section. This will be more economically cared for than a separate cemetery.

FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 percent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Carelessness and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property, disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need *your* thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted material — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn *your* property.

REMEMBER — *Forest Fire Prevention is Everybody's Business and our Most Important Undertaking.*

REPORT OF TOWN PLANNING BOARD

After a lapse of some years the Town Planning Board was reappointed by the Board of Selectmen in conformance with a resolution passed at Town Meeting. Although the Board was re-established primarily because of the immediate problems connected with the Hopkinton-Everett flood control project it is a legally constituted board under state enabling legislation and has the duty of advising the town on general problems connected with the development of the town.

While the pressing problems connected with the flood control project have made it difficult to undertake a general planning program the board has been working on a new base map for the town at a scale of one inch equals 1,000 feet. The State Planning and Development Commission is drafting the map and copies will be available at cost. The board also arranged for the purchase of aerial photographs covering the entire town at a scale of 1 inch equals 1,000 feet, and photographs covering Contoocook and Hopkinton villages at a scale of one inch equals 500 feet. A set of the new maps prepared by the U. S. Army Corps of Engineers of the project area will be available shortly.

Two events which are likely to have great effect on Hopkinton in the near future are the construction of the Bow to Lebanon section of the Interstate highway and the construction of the flood control system. The first section of the highway, which will be completed shortly will put Hopkinton within easy commuting distance of Manchester and Hooksett. Completion of the entire system will put Hopkinton on the direct route between Boston and Montreal. It is expected that these factors will bring new families to Hopkinton and create a demand for billboard sites near the interchanges.

The flood control project will create problems of road

relocation, heavy demand for gravel, clay and other fill, housing for temporary workers and perhaps schooling for their children. The problem of possible federal aid for the education of the extra children has been brought to the attention of the Hopkinton School Board. To insure that the town is protected to some degree the Planning Board is recommending a zoning ordinance.

The possibility of creating a small impoundment within the project area for town recreational use is being studied by a sub-committee to which Percy Wilson and Allan Lewis have been appointed.

According to information currently available the Army Corps of Engineers expect to complete the design of the dam by summer of 1958 at which time it will be known what property will be taken. Actual construction will probably not begin until spring of 1959 and will take three seasons for completion.

The Planning Board will continue to study these and other problems and will report its findings and recommendation to subsequent Town Meetings.

REPORT OF THE HOPKINTON DUMP COMMITTEE

Pursuant to the vote under Article 20 of the Town Warrant at the annual Town Meeting of March 20, 1957, the Selectmen appointed a Special Dump Committee consisting of Charles A. George, John K. Graves and Delbert E. Reade. This Special Dump Committee was appointed with specific instructions to find a solution to the dump location for Contoocook Village.

In recent years there have been several dump committees and in 1954 a Special Town Meeting was called to solve this problem. As everyone knows, the answer was not found. In an effort to solve the entire dump problem this time, this Committee asked for and received authorization from the Selectmen to consider the dump problem for the entire Town.

At the present time a large portion of the Town could not be considered for potential dump sites because of the new highway construction and the proposed Hopkinton-Everett Dam area, restricting the general area to be surveyed for this purpose to the north and northeast sections of the Town.

The Committee felt that the following factors should be considered in viewing possible dump sites or locations:

1. A location which would be acceptable to all state and local agencies requiring approval by law or ethics.
2. A single town dump to consolidate space and to reduce annual operating costs.
3. A dumping area with a minimum life of 50 years.
4. A location reasonably situated to the populated centers of the Town, with consideration being given to all areas of population.

5. Adequate water supply for fire protection.
6. A location accessible to a paved road, yet distant enough to eliminate interference with present and probable future residential, industrial or farming areas.
7. A location which would not be disrupted by any proposed construction by federal, state or local governments.
8. A location which could afford sufficient area to include space for the Town Garage and for Town Equipment and Supply Storage.
9. A location which might offer the Town a source of Town-owned gravel, sand or fill.

The Dump Committee reviewed ten possible locations, and after trying to fit them all into the above considerations but before seeking State approval, cut the number down to three. One of these was the so-called Spring Street location for establishing a dump for the Contoocook area only. The use of this location was discouraged because of its short-life potential, adjacent to probable near-future building developments and the probable cutting off of Spring Street as a through street by the new proposed State Highway. One other of the locations was eliminated by the refusal of the Dump Committee to recommend and the Selectmen to exercise the right of eminent domain, leaving one location out of the original ten.

With the approval of the Selectmen and remaining within the appropriation as authorized by Article 20 of the 1957 Town Warrant, the Dump Committee secured an option to purchase a certain tract of land approximately forty acres in size located north of the Penacook Road and east of Deer Meadow Brook. The topography of this tract of land fulfills eight out of nine of the factors mentioned previously. This location has also received the approval of the following:

Selectmen, Town of Hopkinton
Hopkinton Public Health Officer
Hopkinton Town Counsel
State Public Health Department
State Forest Fire Service
State Water Pollution Board
State Fish & Game Department

It is the recommendation of this Committee that the dump problem be settled at the 1958 annual Town Meeting by voting to raise and appropriate the money requested for this purpose and by authorizing the Selectmen to exercise the option to purchase the land.

Believing that the Voters of the Town of Hopkinton wish to settle this dump problem now and for the next 50 to 100 years, the Special Dump Committee makes the following recommendations to the Selectmen of the Town of Hopkinton:

That:

1. The Selectmen open up a single Town Dump on the New Dump Land, so-called, located north of the Penacook Road and east of Deer Meadow Brook, complete with burning facilities, scrap dumping area, fire control and dumping regulations.
2. The Selectmen use as a guide the publication "Community Dump," published by the State of New Hampshire Forestry and Recreation Department, Revised January 1956.
3. The Selectmen instruct the local Police to enforce all State Laws regarding the movement over State and Town highways of and establish local regulation concerning the handling and disposal of dump, garbage, trash, waste, scrap and like materials.

4. The Selectmen post the Dump Area as open to the Public three days each week during the summer months and two days each week during the winter months.
5. The Selectmen establish regulations for those individuals or businesses requiring dumping facilities other than regular dumping days.
6. The residents of the Town encourage, where possible and practical, the use of dump pick-up service already being used by approximately 30% of the Town.
7. The Dump Operator be a member of the Town Police while on dump business only.
8. The Dump be restricted to use by residents and non-resident property owners of the Town of Hopkinton only and that violation of this regulation be enforced in accordance with State Laws.
9. The Selectmen establish a system of salvage and sale of scrap and like materials.
10. The Selectmen utilize a portion of this tract of land for the storage of Town Equipment and Supplies and for a Town Sand and Gravel Pit.
11. The Selectmen offer the present Town Dump areas to the abutters for \$1 and an agreement to be secured by a \$500.00 performance bond to close the present Town Dumps in accordance with regulations and methods prescribed by the Selectmen and the Public Health Officer.

REPORT OF THE SCHOOL MEETING

The Annual Hopkinton School District Meeting was held in the Town Hall, March 12, 1957.

The meeting was called to order at 9:20 o'clock in the forenoon by the Moderator, Philip S. Dunlap.

The Reverend Mr. Chester Wood offered prayer.

An attested copy of the warrant was read by the Moderator.

Article I

Mr. Allen Lewis offered the following resolution and moved its adoption:

Resolved: That the Hopkinton School District in school meeting convened keep the polls open under the non-partisan ballot system from 9:00 A.M. to 6:00 P.M.

The motion was seconded by Mr. William Sterling.

A voice vote was declared unanimously adopted in the affirmative by the Moderator.

The Moderator then declared the polls open.

Article II

Mr. Delbert Pitman offered the following resolution and moved its adoption:

Resolved: That the Hopkinton School District in school meeting convened recess the meeting to the Hopkinton High School Auditorium, March 12, 1957 at 8:00 P.M.

The motion was seconded by Mr. Edward Leadbeater.

The following amendment was offered by Mr. Walter W. Dwyer, Jr.

Resolved: To amend Article II to read as amended: To adjourn the school meeting 'till 3:00 P.M. March 12, 1957 to be held at the Hopkinton Town Hall.

Dr. Lightfoot requested the Moderator to rule the amendment out of order in view of the fact the Warrant had been posted for 8:00 P.M. at the Hopkinton High School Auditorium.

The Moderator ruled that the Article was a main motion and open to amendment and was not out of order.

Mrs. Stewart Nelson, Jr. seconded the amendment.

A discussion followed on the amendment.

The Moderator called for the question on the Amendment.

A close voice vote was taken and the Moderator called for a division vote.

The division vote was as follows:

In favor	47

REPORT OF THE SPECIAL SCHOOL MEETING

The Special Hopkinton School District Meeting was held at the Hopkinton High School Auditorium on February 6, 1957.

The Meeting was called to order at 8:25 P.M. by the Moderator, Philip S. Dunlap.

The Reverend Mr. Fay Gemmell offered prayer.

An attested copy of the Warrant was read by the Moderator.

The Moderator ruled that only residents of Hopkinton for three months preceding the meeting were qualified to vote on the warrant, if otherwise qualified to vote in Town Affairs.

The chair recognized Mr. Harry Parker, Chairman of the Building Committee who spoke on the proposed plans for the school and the building cost increase.

Article I

Mr. Harry Parker offered the following resolution and moved its adoption:

Resolved: That the report of the Building Committee be accepted and adopted by the School District.

Mr. John Brock seconded the motion.

Mr. Edward Leadbeater asked Mr. Parker to rephrase the motion to read "accept the report of the Building Committee." Mr. Parker consented.

A voice vote being taken, the Moderator declared the motion to accept the Building Committee's plans unanimously adopted.

Article II

Mr. Theron Methven offered the following resolution and moved its adoption:

Resolved: That the School District here assembled

vote by preferential ballot to select a site for a new six classroom elementary school building.

The Motion was seconded by Mr. Richard Brunel.

The Moderator declared the motion was open to debate and amendment and all questions must be directed to the chair, and that any amendments should be given to the Clerk to be written out. A period of debate then began.

Mr. Sherman Twitchell raised the question as to whether the vote was to use a preferential ballot or not, or whether the resolution called for the use of a preferential ballot on the Article itself. The chair ruled that the motion called for the use of a preferential ballot on the Article itself. The debate then continued.

Mr. Thomas Astles moved the question and then yielded to Mr. Allen Lewis.

Mr. Melvin Tucker then moved the previous question.

The Moderator declared the question adopted unanimously in the affirmative in favor of voting by preferential ballot for the site of the proposed school, a voice vote being taken.

The house was polled by preferential ballot on the location of the site, and the results were as follows:

Total Cast — 660

Two School plan with the first unit to be	
constructed in Hopkinton Village now	373
Construction at this time in Contoocook Village	287
	<hr/>
	660

The Moderator declared the motion carried to adopt the two-school plan with the first unit to be constructed in Hopkinton Village now by an eighty-six (86) majority vote.

Article III

Mr. Thomas Astles offered the following resolution and moved its adoption:

Resolved: That the Hopkinton School District authorize and direct the School Board to acquire a tract of land at Hopkinton, the site determined under Article II of this Warrant, whether by gift, purchase and voluntary conveyance, exercise of power of eminent domain or otherwise, and thereon to erect, originally equip and furnish, and grade the lot about a six classroom elementary school building, and to enter into all necessary contracts in the name of Hopkinton School District for the design, construction and equipment of such a six classroom elementary school building; and to raise and appropriate therefor not in excess of One Hundred Forty-five Thousand Dollars (\$145,000) and for this purpose to authorize the School Board to borrow in the name of Hopkinton School District not in excess of One Hundred Forty-five Thousand Dollars (\$145,000) and to execute and issue as evidence of such indebtedness in serial form notes or bonds of the School District under and in accordance with the provisions of the applicable laws of the State of New Hampshire, including the Municipal Finance Act, and to delegate to the School Board authority to fix the date, maturities, denominations, interest rate or discount rate in the case of notes, place of payments, form and all other essential matters and details of said bonds or notes and providing for the sale thereof.

Mrs. Frank Holmes seconded the motion.

A voice vote on the motion was unanimously adopted. The House was then polled by yes and no ballot as follows:

Total Cast — 493

2/3 Necessary for Adoption — 328

Yes	452
No	41
	<hr/>
	493

The Moderator declared the motion was adopted in the affirmative.

Article IV

Mr. Donald Valway offered the following resolutions and moved its adoption:

Resolved: That the Hopkinton School District authorize the School Board to call any Regular Annual Meeting of the School District at any legal date under the law of the State of New Hampshire, and to rescind any action of the School District heretofore taken inconsistent herewith.

Mr. John Brock seconded the motion.

On a voice vote, the moderator declared the motion unanimously adopted.

Articles V, VI, and VII

Mr. Donald Valway moved to pass over these articles.

Mr. Richard Brunel seconded the motion.

A voice vote being taken, the Moderator declared the motion unanimously adopted.

Article VIII

As there was no other legal business, Mr. John Brock moved to adjourn.

Mr. Richard Brunel seconded the motion.

The Moderator declared the motion unanimously adopted, a voice vote being taken.

The Moderator called the meeting adjourned at
11:59 P.M.

This fall we started the school year with six new teachers. Miss Mary Jean Raleigh replaced Mrs. Ellen Edwards as Commercial teacher; Miss June Drake replaced Mrs. Danella Pearson as English and Social Studies teacher and girls' basketball coach; Mrs. Fay Campbell replaced Mrs. Margaret Sinclair as Fifth Grade teacher. We also have three additional elementary teachers: Mrs. Leona Berlind teaches the fifth grade with Mrs. Campbell; Mrs. Dorothy Sundgren is assisting at Hopkinton village and will be the third grade teacher in the new elementary school; Miss Mary Mock is assisting at the Contoocook Grade School and will be the first grade teacher at the new school.

This coming year we will have to employ a sixth grade teacher for the new school. It would be most wise to have an experienced man teacher who can organize and supervise playground activity and also serve as Principal of the school. We need two new teachers at the high school. We can meet the Minimum Standards

for High Schools with one teacher but we can not make any additions to the curriculum such as a third year of French.

The building committee has spent a great deal of time and effort on the plans for the new school. The R. E. Beane Construction Company of Keene, N. H. was awarded the contract for the new school at a figure which was very favorable to the school district. It is impossible to tell at this time what the actual cost will be, but it will be well below the \$145,000 voted by the school district. The contract also calls for the completion of the building by July 1, 1958, and that date should present no difficulty to the contractor as he has the building well under way.

The State Building Aid Law was amended by the last General Court so Hopkinton School District will be reimbursed thirty per cent of the principal payment made each year. The school district will also collect thirty per cent of the capital reserve fund of thirty thousand dollars that was spent on the construction of the High School Building. Therefore, Hopkinton will collect about \$9,000 in state building aid next year.

It is interesting to note that the 1948-1949 school budget raised \$51,299, of which \$9,515, or 18% was paid by the state under the Educational Aid program which included general aid for such towns as Hopkinton and the large cities.

The \$9,000 we will receive in building aid next year is a big help, yet it is only about 5% of our budget as compared to the 18% of 1948. In actuality our state aid program has been cut while our need has been increased.

Our present State Aid program excluding Building Aid is based on the theory of equalization. This means that the poorest towns get state aid. If general aid were added to the program so that all towns would benefit,

I am sure that the legislature would be more willing to increase the state aid program. Certainly our present tax structure which forces towns to get a large share of their revenue from a property tax is outmoded. Some day we will have a suitable tax base, but the legislature will not act until the people demand such a change.

This report would not be complete without a tribute to Harold M. Martin who passed away January 17, 1958. Harold was first elected to the school board in March 1950 and was reelected in March 1953 for a second term. He did not run for a third term as he felt that some one else should have the experience of serving on the board. However the school district felt differently and Harold's name was put on the ballot by petition. In the March election he was returned to the board by an overwhelming majority.

During his terms on the school board a new High School building was completed and the construction of a new Elementary school was begun, both under rather trying circumstances. Yet through all the difficulties Harold worked to provide a better educational opportunity for the school children of Hopkinton.

Those of us who worked closely with Harold feel a great sense of personal loss, yet we will have many pleasant memories of meetings we had with a man we both liked and respected. What is our personal loss is also a loss to the town, but Hopkinton will be a better place in which to live for having had a school official like Harold Martin.

WILLIAM C. STERLING,
Superintendent of Schools

January 27, 1958

Mr. William C. Sterling, Superintendent
Supervisory Union No. 26
Contoocook, New Hampshire

Dear Mr. Sterling:

I hereby submit my report for the year 1956-57 as
Principal of Hopkinton High School.

MEMBERS OF THE CLASS OF 1957

Joline Bohanan	Jerry Lewis
Averill Bradford	Carol Moss
John Brock, Jr.	Sandra Reade
Juliette Cantara	Roberta Sanborn
Dana Daniels	Susie Sanborn
George Fuller	Jane Stevens
Dorothy Hanson	David Story
Richard Kirk	Carleton Strand
Thomas Krzyzaniak	Joshua Taylor
Margaret Leavitt	Judith Wibel

Of these twenty graduates, twelve, or sixty percent, have gone on to further their education — twenty-five percent attending four year colleges. The educational institutions are Plymouth Teachers College, University of New Hampshire, Dartmouth College, Emanuel College, Nasson College, Chandler School for Women, Modern School of Fashion Design, Manchester Technical Institute, and Concord Commercial College. Of the remaining graduates, seven are gainfully employed and one is married.

This year has seen two new members join our staff: Miss June Drake, English and Social Studies, and Miss Mary Jean Raleigh, Commercial subjects. Both have proved to be valuable additions to the faculty.

As a result of the satisfactory completion of our Evaluation Study, Hopkinton High School has become a member of and is accredited by the New England As-

sociation of Colleges and Secondary Schools. We are proud of our membership in this most worthy organization.

In order to comply with the Minimum Standards set up by the New Hampshire State Department of Education, we must anticipate some changes next fall. Undoubtedly the staff will be increased in size. It will also be necessary to eliminate all forty-minute periods. It would seem at this time that it will be necessary to begin classes at 8:30 a.m. and continue to 12:14. There will be a thirty-minute lunch recess and classes will resume at 12:45 and end at 3:19. These would seem to be the only major changes.

I wish to extend my appreciation to all those whose cooperation and help have done much to make our school a better one.

Respectfully,

WILLIAM H. MILNE,
Principal
